Web site update

The web site hosting has moved from GoDaddy to LinkSky.

The GoDaddy site was behaving very slowly at times. Attempts to get their tech support to solve the problem was a complete joke.

Mike Winklepleck, JR Graham and your Newsletter / Web site editor decided to try a different provider.

If you have not registered on the forum, PLEASE do. Other than being informative it will be used as an information gathering tool and possibly a way to VOTE for officers if any of the offices are contested.

President's Report – Mickey Cohen

The time has come, the first five months of 2013 have flown by and its time for our first "Fun Fly". Brad Werneth, Mike Winklepleck and Pat Willis have a great event planned for Memorial Day so lets plan on participating and kicking off this year with some great flying and camaraderie.

I would also like to give a big thank you to Wayne Wahrmund who has stepped up to help promote our club as a community member. I had received a call from Willamalane who needed someone to teach folks how to fly indoors for a new program they are offering in the fall and Wayne jumped right in to help. I also received a call from a non-member who during transport of an airplane that had sentimental value as it belonged to his father was damaged and needed repair, again Wayne stepped up when asked.

The field is looking good, Doug McWha has the runway in great shape, the bleachers have been painted at the expense of Donny Krenz's back and as always Jim Corbett is always doing something to improve the field. We held a work party at the field last month and completed a lot of spring cleanup. Thank to all who came out and pitched in.

There were some proposals for changes in the ERCA constitution and by-laws presented at the April meeting and will be reviewed again and voted on at the May meeting so be sure to attend the meeting and participate.

Looking forward to seeing you all at the field and meetings.

Mickey

Treasurers Report - Al Barrington

ERCA is at 80 members as of this report. We have received no new member applications this month.

The IRS has confirmed they have received our application for our tax exempt status. They told us we should be notified of the determination or further

action within 90 days. Given current events, I am not sure about that. I'll keep you posted as news comes in

The treasury is currently at \$6,313.59.

I hope to see everyone on Memorial Day at the field and then two days later at EWEB for the May meeting.
