President's Report – Mickey Cohen

Kiddos are back in school, football season is here and we still have some great flying weather in front of us. The field is in super condition, Doug has continued his

dedication to maintain it for our enjoyment. The N / S runway has been seeded and fertilized thanx to Frank's back breaking work and support from some

our hard working volunteers. All of the events of summer are over and it's a great time to get some great flying. We have the best field around, just ask any of the people that visited and flown here recently.

The September meeting will be on the 23rd at EWEB. This will be the last meeting our club will have at EWEB.

It's also time for serious business so you attendance at the meeting would be very appreciated. Even if you don't regularly attend the next couple of meetings are important.

The club still needs a volunteer to step up to take care of field maintenance. Doing unfortunately is not kidding when his says this is the last year for his dedicated help.

Nominations will be taken at the September and October meetings for the officer positions of President, Vice President, Treasurer, Secretary and Safety Officer. Voting will take place and results will be finalized at the November meeting. We have almost 90 members, please consider taking on one of these positions.

See you at the meeting and the field. Fly safe and not alone.

Fly safe and not alone. Mickey

Treasurers Report - Al Barrington

We are still at 84 members. We do have an application submitted from prospective new member Scott Bartley. We will be welcoming him at the September meeting.

We are coming into the last quarter of the year which means time for elections of club officers at the November meeting. This meeting we will begin taking nominations for the offices of President, Vice President,

Secretary/Treasurer and Safety Coordinator. Also, Instructor Pilots need to decide if they want to continue to be on the Instructor roster in 2014.

Our bank balance as of this report is \$1,381.63. Since our last meeting and Sec/Treas, ERCA

report, we took in \$248.98 but paid out \$3,010.87 in expenses for field improvements and residual Monster Fest event costs.

The September meeting will be the last one at the EWEB location. October's meeting will be at Roaring Rapids Pizza in Glenwood. Future meetings, unless otherwise specified, will be at Brad Werneth's office at 4th & Lincoln in Eugene. Bring your own chair.

November 1st we start the winter flight time rules at the field. Check NOTAMS.

We'll see all who can make it to the next meeting Monday, September 23rd, at EWEB, downtown Eugene, 7pm.

Happy landings.
